A Family Medicine Without Alcohol

Ayer's Sarsaparilla is a tonic and alternative, free from alcohol. What is a "tonic"? A medicine that imparts strength or tone; a medicine that builds up, gives vigor and power. What is an "alternative"? A medicine that alters or changes unhealthy action to healthy action. Ayer's Sarsaparilla does all this without stimulation. Ask your doctor if a family medicine, like Ayer's Sarsaparilla, is not vastly better without alcohol than with it.

HONGKONG BREWERY WILL PAY DEBTS

The following news from the Hongkong Daily Press will be of interest to local people who put money into the Hongkong brewery:

"A meeting of the creditors of the Oriental Brewery was held on Saturday at the offices of the liquidator, Mr. E. J. Waterman.

"Mr. Waterman explained that that was a statutory meeting called to decide whether another liquidator should be appointed or whether one should be appointed to act with himself. He had every reason to believe that the property would be sold, and that enough would be realized to pay the creditors in full.

"On the motion of Mr. Dodwell, representing the Chinese Mining & Engineering Company, seconded by Mr. Silar, representing the Hongkong & Whampoa Dock Company, Mr. H. Percy Smith was appointed an additional liquidator.

"Mr. Dodwell was appointed to make the necessary application to the Court."

LAU MAN GOING HOME AFTER 45 YEARS HERE

Aged Chinese Well Cared For by Those For Whom He Toiled

Forty-five years ago, Lau Man, young, husky and willing to work came to the Hawaiian Islands from China in a junk which had a hard voyage through having its sails ripped off in a series of typhoons encountered on the journey. The exact destination of the junk is not now known, but it was not the Hawaiian Islands. At any rate Lau Man arrived by this mode of transportation, found his way to Waimoa, Hawaii, and there lived and toiled until reaching his 70th year he could labor no longer.

Lau man is now 78 years old, and for the better part of the last ten years, those for whom he once labored have been taking care of him, as he has no relatives here. Among these were A. W. Carter and H. Akona.

Recently the old man went to these men who had befriended him. "I am getting old," he said, "and have long been a charge upon you. I would return to China to die in my native village among those who are of my kind and kin."

"You shall go back," said his old friends, and they straightway raised a purse which provided him with a steamer ticket and sufficient money to spend the rest of his days in his own country without becoming a public charge.

In his gratitude, Lau Man has asked the Star-Bulletin to publish the following letter:

Honolulu, September 20th, 1912. Messrs. A. W. Carter, H. Akona and Friends, Kamuela, Waimoa, Hawaii:

Dear Sirs: I have taken this opportunity to express my heartiest appreciation and thanks for your help in sending me back to China. I am now 78 years of age and have been in the Hawaiian Islands for the past 45 years.

Closing with my best wishes to you and all my friends at Waimoa, Hawaii. Thanking you all again for the kindness you have shown me, I am,

Yours very truly,

LAU MAN.

SCHOFIELD BARRACKS NOTES

(Special Star-Bulletin Correspondence)

SCHOFIELD BARRACKS, Sept. 24.

The 3rd Battalion of the 2nd Infantry from Fort Shafter under the command of Captain Geo. R. Jamieson, reached the Post Monday at ten o'clock and are now encamped near the 2nd Infantry cantonment. They will remain here until Wednesday when they will march for their home station and be resumed.

The march has been via the Pali and Haleiwa Hotel and has been devoted to field instruction. The entire command is reported in excellent condition. Lieut. L. B. McAfee, medical Corps is the attending surgeon.

The band of the regiment met the battalion a short distance outside the garrison and escorted it to its camp.

The officers are the guests of the Regiment and are being entertained at the various homes for dinners and luncheons during their stay, though sleeping of course, in their camp.

Two alarms of fire were sounded Sunday night at about midnight. One was for a small blaze at the Cavalry amusement hall and the other in the Post bakery. The flames were easily extinguished and but small damage done.

Fire continues a great menace as the water situation notwithstanding every economy is still a serious matter. Two additional sources of supply have been discovered but they are small in amount neither exceeding 1500 gallons daily. The daily minimum need of the garrison exclusive of animals is estimated to be 120,000 gallons.

The Signal Corps detachment has completed the work of erecting the masts for the new wireless station just east of Colonel McGunagle's quarters. The masts are 140 feet in height and their erection showed great skill as no special machinery was available.

The intention is to complete the wireless station in time for its use during the coming maneuvers in connection with the portable wireless sets carried by troops in the field.

The continuation of the trial of Dr. Vans Agnew, veterinarian 5th Cavalry occurred Monday afternoon.

The proceedings were uneventful and the prosecution having finished its case with the examination of Major McClure, the defense began by introducing various enlisted men to rebut evidence previously brought out. An early termination of the case it now looked for.

A baseball game between the Shafters and the 1st Battalion 2nd Infantry was hurriedly arranged on the result was in favor of the home team by a score of 9 to 8. A game will be played today at two o'clock between the First Infantry and a picked team of the Second. Kibber of the Oahu League is a member of the Fort Shafter contingent and will probably pitch.

Investigation is being made of the "boiler" squad, but the anvil chorus continues to enjoy immunity.
